

Engineering Apprentice (Building Services Maintenance Operations)

Functional

Closing: Wednesday 10th August 2022

[Apply Now](#) ^[1]

Two-year Apprenticeship Basic Salary £16,664 (year one) (c£320 per week) plus benefits

We have an excellent opportunity for an individual interested in undertaking a two-year apprenticeship within our Building Services division.

During the apprenticeship you will learn all aspects of building maintenance including painting and decorating, carpentry and joinery, plumbing and drainage. You will undertake a comprehensive training programme, including day release at college, studying towards a Level 2 NVQ Diploma in Maintenance Operations.

- You will have a sound secondary education, with a minimum of 3 GCSEs (or equivalent) to include Maths and English at minimum grade C (4).
- You will also need a positive, flexible attitude and a willingness to learn. A good standard of physical fitness and a head for heights are also required.
- If you feel you have the above attributes and are keen to commit to a very demanding career at the Port, please apply above or call 0117 982 0000 and speak to Personnel for more information.
