Attractive salary and benefits

We are looking for a Ground Worker to assist with the maintenance and small civil engineering works on the Port estate.

You will have a sound knowledge of building civil works and maintenance and be able to interpret drawings; experience of excavator 360 would be an advantage.

Ideally, you will have a building trade or civil engineering background and qualifications, and have experience in civil and property maintenance works.

You will need to be able to work at height and in confined spaces. A current driving licence is also required.

An attractive benefits package is on offer, which includes generous annual leave and pension scheme contribution. There is also a scheme currently in operation which rewards all employees with a share of the Company profits and the Company subsidises dock based catering arrangements through a subsidy voucher scheme.

To apply, please contact our reception desk on 0117 982 0000 during office hours, or e-mail personnel@bristolport.co.uk and ask for an application form. Alternatively, our application form can be downloaded [here](#) ^[2].
