Attractive salary and benefits

We currently have an opportunity for a qualified Hydrographic Surveyor to join our small team to cover a period of maternity leave from February 2019.

As the local Statutory and Competent Harbour Authority, we are responsible for the provision of hydrographic surveys, the production and distribution of navigational charts and tide predictions, along with the monitoring and maintenance of Aids to Navigation and the promulgation of Notices to Mariners within our harbour limits.

Ideally, you will have the following qualifications and experience:

- relevant hydrographic surveying qualification and experience
- demonstrable experience in acquiring, assessing, interpreting and validating hydrographic data
- experience of PDS2000, AutoCAD, POS Pac, Fledermaus and GIS will be an advantage.

You will also be a team player with strong communication skills, with a focus on quality and attention to detail.

A full driving licence and use of a car is essential.

Please be aware, due to the nature of the role, only candidates eligible to both live and work in the UK will be considered for the role. No sponsorship or relocation packages will be offered for this role.

To apply, please email an up-to-date CV and covering letter to personnel@bristolport.co.uk by Friday 7 December 2018.
