## Port Operations Apprentices

Functional

Closing: Saturday 31st August 2019

[Apply Now](#) <sup>[1]</sup>

Basic salary £15,000 per annum (first year) rising to circa £28,000 on successful completion

If you're keen to learn and ambitious to build a great future, this exciting opportunity is perfect for you. It's your chance to launch your career at one of the UK's most technologically advanced ports – and be trained to operate a wide range of equipment from fork-lift trucks to £multi-million computer controlled cranes.

You'll gain a variety of new skills, as well as an NVQ qualification in Port Operations.

You will develop a solid foundation for a career that could see you quickly rise up the ranks, just as long as you're willing to put in the hard work. In fact, many of our operations managers started off as apprentices.

And of course, as you progress, so will your earnings. You'll start on a basic of £15,000 pa, which will rise to circa £28,000 once you've successfully completed the two-year apprenticeship and one-year training programme.

With strong numeracy and literacy skills, you should be physically fit, have a good head for heights and a full driving licence. A flexible approach to work is important too, as you'll be working shifts including regular weekends and nights.

So if you're ready to take the first step towards a terrific future, we're waiting to hear from you.

To apply, please contact our reception desk on 0117 982 0000 during office hours, or e-mail [personnel@bristolport.co.uk](mailto:personnel@bristolport.co.uk) and ask for an application form. Alternatively, our application form can be downloaded [here](#) <sup>[2]</sup>.
