Festive fun cruises into Bristol Port

Published: Friday 6th December 2019

Bristol Port's popularity as a cruise terminal is to be showcased again this month as almost 5,000 guests will enjoy a series of festive events onboard Marco Polo.

The ship, a favourite in the Cruise and Maritime Voyages' fleet, will be berthed at Bristol Port to play host to lunchtime and evening gatherings, attended by everyone from would-be first time cruisers to more experienced holidaymakers craving their next cruise.

2020 is expected to be another bumper year for cruises from Bristol Cruise Terminal with 22 cruise calls expected, including the inaugural call of Saga's new ship 'Spirit of Adventure.'
