## Why choose Bristol Port?

The reason for choosing Bristol Port is simple - Bristol Port offers the most cost effective end-to-end logistics solution of any UK deep sea port

Bristol Port estate spans 2,600 acres

Population in 250km reach of Ports

## **Bristol Port offers the most cost effective logistics solution of any UK deep sea port**

Bristol's location is second to none offering:

- Deep water up to a depth of 14.5m accommodating vessels up to 130,000 dwt
- Excellent connectivity with motorway and rail links at the port to all points of the compass
- Proximity to markets - 67% of the UK population (43 million people) is within 250km of Bristol Port
- 24/7 working
- Storage space at the port and development land close by
- Responsive management

We have more than 584 well trained, direct employees providing high quality, reliable, efficient cargo handling. Over £500 million has been invested since privatisation to ensure we have all the equipment needed to be the quality link in your supply chain.
